WE ARE PLEASED AND EXCITED TO ANNOUNCE THE INAUGURAL

Force 50 Foundation Charity Event in Honor of 1st Lt. Damon T. Leehan

benefiting the Force 50 Foundation

Gaillardia Country Club
Friday, August 27, 2021

We are seeking your support as a sponsor, a prize donor or as a team playing in the tournament. We have several levels of sponsorship available outlined in the enclosed information and we are always open to custom sponsorship ideas that may not be listed.

The golf tournament format will be a scramble with two handicapped flights and will include **live** scoring throughout tournament play. Registration will begin at 7:00 AM Friday morning, with a shotgun start at 8:00 AM. Make plans to stick around after the tournament has completed for a post round meal, beverage and awards ceremony.

First and second place teams will win prizes from each flight, with a grand prize going to the overall first place team from the tournament final hole shootout.

We look forward to seeing you there and thank you in advance for your participation and support as we tee it up to benefit the Force 50 Foundation.

Sincerely,

Aaron Fleck
Golf Chair
